COMMODORE'S COMMENTS

Finally the weather seems to be getting warmer, spring sailing can't be too far off. We took our boat out of the water on Monday to clean and repaint the bottom. First time we've seen the bottom in four years. Fortunately, it was in pretty good shape with only a few small blisters. Maybe with a clean bottom we'll do better in the club races this year. Speaking of races, Keith and the race committee have planned an aggressive schedule for this year which should be a lot of fun, including three races for the Gunter'sville Cup. Save the weekend of April 20-22 for a fun filled weekend of sailing, dinners, art show, entertainment and good fellowship.

In May, we will have another low country shrimp boil on the 19th, which was one of the most popular events last year. On the 23rd of June we will host our first annual (depending on how popular it is) poker run. We will set a course for all to sail with at least five stations (will need volunteers to man a couple stations). At each station you will be pick up one card. The boat with the highest poker hand at dinner that evening will be the grand prize winner. It is not a timed run, so all can participate without the pressure of a race. It's a fun day on the lake with other sailors from the club.

Trish and I took the club on a “trip” around the BVI’s on Saturday night after the chili cook-off. Part of the reason for the “trip” was to see if there is much interest in doing a club flotilla someday to a destination like the BVI’s or elsewhere. Think about it and let us know if we need to start planning a club trip.

The Board can only do a good job of managing the club for your interests if we know what you want and what problems you’re having that we need to correct. In an attempt to survey all club members, we are revising the “Sailing Experience Survey” and will put it in the Binnacle in two months (along with copies left at the clubhouse). Be thinking of suggestions and get the survey back to us so we can act on your ideas.

SOCIAL COMMENTARY

I was so happy to see everyone at the cook off, on a wet and cool night. There was 20 plus chili lovers. We had 9 pots of chili and all were so good. The top 3 winners are George & Trish Brown for the Hottest Chili, Clark & Beth Mason for the Best Over All and Chip & Gerry Meegan for the Most Unique Chili.

When we were done with the chili there was a lot of great desserts. Well then everyone was nice and full and we sat back and went to the BVI’s with George & Trish. They did a great job and the pictures were great. Oh, speaking of pictures when you go in to the club house check out the picture on the wall. Great job George & Trish.

So until the next dinner, happy sailing.

Thanks everyone, Kathy

Need pictures to post on the web site. Please e-mail to sailor@mindspring.com. Thank you!

FROM THE RACE CHAIRMAN

The cold is starting to lift! It won't be long now, for us fair weather folks, until we are in full sailing season.

Let's start out with the Guntersville Cup. As I said earlier, we are going to make this a two day event with two races on Saturday, April 21st, and one on Sunday. However, realizing that not everyone can make it on Sunday we will allow one throw out if we get all three races in. So if you cannot make it Sunday come anyway and just beat everyone on Saturday!!

The plan is to have a spinnaker fleet and a non-spinnaker fleet that we might split in to high and low handicap fleets depending on the number of boats entering. We will also try to have a Novice Fleet with a separate start and shorter course (one race each day) for those that have never been in a regatta before. If nothing else just come on out and be a spectator!!

Saturday night should be lots of fun. Besides a great barbeque dinner there will be a marine art display by our own Sherman Barnes (he may have drawn your boat!!) and some nautical items from "GoneCoastal" and "Toucan Canvas". After dinner we will have some live entertainment to keep you up too late!!! So even if you do not want to sail please plan to party with us Saturday night!!

For more details the Notice of Race and the Registration form are in this month's Binnacle. For those who just want to come to dinner use the Registration Form but do not fill boat information and only pay for the dinner's and or shirts that you want. We would like to know ahead of time so we can plan accordingly.

Now for the casual stuff. We will start off this season with a fun Saturday Pursuit. For those not familiar with pursuit racing come to the club house at 10 am for a skipper's meeting. I will also give out the offset time sheets.

On March 11th we will start the Sunday Pursuit series. Amy wrote about this in last month's Binnacle so I will not cover the details. These will start at 2 pm so all the Sunday Service goers can attend.

On April 14th we will do some instruction on racing starts and course strategies to get everyone up to speed for the Guntersville Cup. After the instruction we will go out and do some practice starts. See the race schedule for other events and times. Also, if you want to do something that is not on the schedule please send me your suggestions.

Rules: The Regatta is open to all mono-hull sailing boats with an enclosed cabin and greater than 20-ft. waterline length and will be governed by the 2005-2008 Rules of Racing, the prescriptions of the US Sailing Association, the Navigation Rules International/Inland Waterways, and the Sailing Instructions.

Classes: There will be three fleets; A-Open Portsmouth with Spinnaker, B-Open Portsmouth without Spinnaker, and Novice for skippers who have never competed before in a formally organized sailing race. Portsmouth classes will be determined by the Race Committee based on data required to complete registration. In the event a fleet is over-subscribed, the Race Committee may divide the fleet into two separate classes. In the event there are too few boats to constitute a fleet, the Race Committee may assign these boats into the remaining fleets.

Course: Races will be held approximately in the main channel of the Tennessee River between the Siebold Light and the Upper Guntersville Light with the start in the vicinity of the Guntersville State Park.

Scoring: Three races will be planned with one throw out. In the event of two or less races there will not be a throw out.

Prizes: Separate awards will be given for up to three places in each fleet having at least eight boats. The Race Committee will award Special Prizes as it sees fit.
